Retail Sales: Please note that, since retail sales are a relatively small part of my business, I do not keep regular retail hours. If you need lumber for a major project, please leave a phone message or send an e-mail indicating quantity (andrew@ajwlumber.com), and I will usually respond on the same working day. If I have the lumber in stock, you can pick it up right away. Otherwise I can usually have it delivered to the shop within a few days.

Payment: We accept Cash, Interac, Visa & Mastercard
